Profile

Hello! My name is Saqib Ali, and I am currently pursuing a Master's degree in Information Technology in Berlin. With a strong foundation in IT and a passion for creating seamless user experiences, I am actively seeking a Frontend Development internship or working student position. My educational background has equipped me with the necessary technical skills and knowledge, and I am eager to apply my expertise in a practical setting. Living in Berlin, I am excited about the vibrant tech scene and the opportunities it offers for professional growth and development. I am looking forward to contributing to a dynamic team and furthering my career in frontend development.
